## **Communication Plan**

### **Pre Week 1**

Meet with representatives from building zones and operations for each specific cluster of buildings

### **Week 1**

Send building-wide email announcement

Banners, bulletin boards, info stations, college's social media (include building specific performance contracting info)

### **Week 2**

Distribute door hangers

### **Week 3**

Meet the team!

Tabling events (in buildings with high traffic areas)

Walk arounds to promote program and take notes of common concerns

### **Week 4**

Evening walk through

### **Week 8**

Send building-wide email updates that include challenges and successes from week 4

### **3 Month Follow-up**

Collect 12 weeks of data and report building progress
